

Public Meeting
May 29th, 2005

A Public Community meeting was held at Grist Mill Park on Sunday May 29th, 2005 at 7:00pm. There were 22 local residents in attendance. The purpose of this meeting was to determine the most important concerns of local residents in regard to the Grist Mill Community. The following topics were discussed by the group, and agreed to be brought to local government attention in order to begin forming action plans. Local residents would like to use these topics as a starting point for actively becoming involved in maintaining and improving safety and the quality of life in our neighbourhood.
